In the seminar, Professor Arai will cover an English translation of the Saihō Shinan-shō, or *A Guide to the Pure Land in the West* (tr. Arai), which Shinran compiled. Only recently have more researchers of Shinran's thought paid attention to this voluminous work. Essential topics of Shin understanding such as nembutsu, shinjin (faith/trusting) and attaining birth in the Pure Land will be discussed.

Please join us to encounter the gem-like words of Hōnen and Shinran.
