May 16 | 1-3pm

Following Dharma Exchange on May 16, all are invited to attend an outdoor oshoko event outside of Memorial Hall. This will be a special opportunity to say goodbye to the wooden Shinran Shonin statue outside Memorial Hall, which is being removed due to deteriorating conditions. A second incense burner will be setup in Wisteria Plaza in front of Shinran Shonin's statue. Please take the opportunity to view the newly refurbished bridge, which was completed as an Eagle Scout project.

Family treat bags will be provided to all attendees. Please mask up when you come and stay home if you are not feeling well.

All are welcome to attend our Gotan-e events!
